* Data for CY 2011 as shown in this table is for management information purposes. Full implementation of the Effective Audit Measure as a UI Performs Core Measure will occur for audits performed during CY 2013. States that fail the measure will not be required to write a Corrective Action Plan until the FY 2015 SQSP, which will use CY 2013 Effective Audit Measure results.

** A state passes the effective audit measure when its performance meets or exceeds each of the minimum standards for each of the 4 factors and meets or exceeds a total score of 7 .
